or its affiliates formulated to relieve pain and alleviate discomfort of cuts, scratches, sunburns, insect bites and small burns. The "non-touch" spray application provides smooth relief with less pain to where it is necessary, even the most proposed of the areas. Doing this can increase the risk of serious side effects. Put your hands right after use unless you are treating an area in your hands. Do not spray on your face or mouth. Or your affiliates © 1996-2014, Amazon.com, Inc. Download your coupon and save \$2 today. If you are using the non-prescription product to self-treat, read and follow all instructions in the product package before using this medicine. Your condition will not improve faster and your risk of side effects will increase. If your condition lasts more than 7 days, worsen, improve and then come back in a few days, or if you think you may have a serious medical problem, get medical help immediately. © 1996-2014, Amazon.com, Inc.
